Re: PSC Case No. 2009-00541

Dear Mr. Potter:

Can you please give me an update on the progress of the Shelby Valley Sewer Project, Phase III, Section 2 which was approved by the order in Case No. 2009-00541? I received your letter of December 16, 2010 informing me that the project was approximately 38% complete and was anticipated to be completed in 60 to 90 days.

As a reminder, the ordering paragraphs of this final order require the following:

- Mountain District shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Linda Faulkner".
